- Keg washing on semi-automated machine
- Canning and packaging operations
- Assistance with materials storage and supplier deliveries
- Adherence to brewery process standards (SOPs)
- Preventative maintenance (quarterly, annual)
- Maintaining an organized, clean, and presentable production space
- Additional duties as deemed necessary by leadership team

QUALIFICATIONS AND POSITION REQUIREMENTS

- Commercial brewery experience, preferably in brewhouse operations
- Formal brewing education or degree in biology/chemistry or related preferred
- Respect for the requirements and food safety protocols of gluten-free brewing
- Strong work ethic and attention to detail
- Highly motivated, self-starting, and resourceful
- High level communication with all members of the organization
- Drive for continuous improvement of processes
- Effective time management and ability to work independently without supervision
- Basic understanding of electric, plumbing, and refrigeration
- Manual dexterity and mechanical aptitude
- Schedule flexibility (early morning shifts, afternoon-evening shifts)
- Ability to operate equipment safely and maintain a safe working environment
- Ability to stand for long periods of time and be comfortable working on your feet
- Must be physically able to bend, twist, and lift 60 lbs. routinely
- Must be 21 years of age or older
